Mental Health Therapist

Purpose Statement

The job of Mental Health Therapist is done for the purpose/s of providing a variety of mental health services to students who qualify for special education and mental health services (including therapy, consultation, student status, and treatment); communicating information to staff, the public, and other districts; and providing information and/or direction as may be requested.

This job reports to Assigned Administrator

Essential Functions

Administers assessments (e.g. psycho social, emotional, etc.) for the purpose of evaluating the social and emotional development of students and/or determining eligibility for services.

Attends meetings as assigned (e.g. Individual Education Plan (IEP) as a member of the team, progress evaluations, case consultations concerning student status and treatment, staff meetings, on-site trainings, in-service meetings, etc.) for the purpose of conveying and/or gathering information required to perform functions.

Collaborates with internal school personnel and public/private agencies (e.g. medical staff, psychiatrist, outside counseling; conducts workshops/trainings on a variety of topics related to mental health and social-emotional well-being, etc.) for the purpose of providing information and/or services to strengthen families and/or students/clients.

Completes specific program procedures in all work assignments and adheres to ethical obligations, including client confidentiality for the purpose of providing effective mental health services.

 Coordinates with service providers such as case managers, teachers, clinical mental health services staff for the purpose of coordinating mental health plans to ensure quality treatment, delivery of services, and review/update progress.

Develops treatment and goals for treatment plans for the purpose of providing interventions and/or delivering services in compliance with established guidelines.

Implements classroom interventions (e.g. group/classroom calming activities, teach anger management skills and other topics, provides support to districts/schools during school crisis, etc.) for the purpose of supporting the classroom team and/or providing therapeutic interventions as needed.

Maintains a variety of manual and electronic files and/or records (e.g. case histories and services plans in compliance with LEA Medi-Cal requirements, medical billing records, etc.) for the purpose of ensuring documentation for reference in accordance with administrative, clinical, and state legal requirements.

Monitors direct services in the school (e.g. individual and group treatment, case management, and consultation, etc.) for the purpose of delivering effective mental health services to all clients.

Prepares a variety of written materials (e.g. therapy notes, reports, letters, plans, psycho social notes assessments, communication notes, etc.) for the purpose of documenting activities, providing written reference, and/or conveying information.

Provides therapeutic interventions for the purpose of addressing immediate safety concerns and/or providing support and services to improve student outcomes.

Responds to crises within the school environment for the purpose of providing appropriate interventions outlined in the student’s IEP.
Other Functions

Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.
