Teacher, Head Start (HS)

**Purpose Statement**

The job of Teacher, Head Start (HS) is done for the purpose/s of providing support to the instructional process by serving as a teacher with specific responsibility for supervising students (ages three through five) within the classroom and other assigned areas; developing lesson plans and delivering group and individual student instruction within established curriculum guidelines; collaborating with other teachers, other professional staff, and administrators in addressing instructional and/or classroom issues; and responding to a wide range of inquiries from students' parents or guardians regarding instructional program and student progress.

This job reports to Site Coordinator HS/EHS

**Essential Functions**

Adapts classroom work for the purpose of providing students with instructional materials that address individualized learning plans within established lesson plans.

Administers developmental testing programs, subject specific assessments, etc. (e.g. extend children's learning by asking open ended questions and making suggestions that stimulate children's thinking; respond directly to children's needs, desires, and verbal and non-verbal messages adapting the response to the children's different styles and abilities, etc.) for the purpose of assessing student competency levels and/or developing individual learning plans.

Advises parents and/or legal guardians of student progress for the purpose of communicating expectations; student's achievements; developing methods for improvement and/or reinforcing classroom goals in the home environment.

Assesses student progress towards objectives, expectations, and/or goals (e.g. develop appropriate goals and objectives for each child toward the achievement of Head Start outcomes, conduct on-going assessment of each child's growth and development, update each child's goals, etc.) for the purpose of providing feedback to students, parents and administration.

Collaborates with instructional staff, other school personnel, parents and a variety of community resources for the purpose of improving the overall quality of student outcomes, achieving established classroom objectives in support of school improvement plans.

Develops child goals and objectives based upon child assessments for the purpose of implementing strategies in alignment with program school readiness goals.

Directs associate teachers, student interns, instructional assistants, volunteers and/or student workers for the purpose of providing an effective classroom program and addressing the needs of individual students.

Facilitates preschool students' learning (e.g. art, science, music, housekeeping, story time, movement activities, etc.) for the purpose of improving the students' academic success and transition to elementary school.

Implements parent education program (e.g. orientation, small group discussions, resources, home visits, conferences, etc.) for the purpose of encouraging parent involvement and providing leadership to the program.

Manages student behavior for the purpose of providing a safe and optimal learning environment.
Models conversation, manners, clean-up activities, listening skills, etc. (e.g. assist at meal and snack time by preparing and setting up tables, place food in appropriate containers for family style service, sit and eat with children modeling good manners and healthy food choices; guides children in clean-up activities following meals and snacks, etc.) for the purpose of demonstrating appropriate social and interpersonal behavior.

Monitors students in a variety of educational environments (e.g. classroom, playground, field trips, nap times, etc.) for the purpose of providing a safe and positive learning environment.

Monitors the safety and supervision of children (e.g. visual supervision of children at all times at assigned site(s), following general safety rules, etc.) for the purpose of ensuring a safe environment for children.

Participates in a variety of meetings (e.g. attend case conferences, parent conferences, home visits, IEP/IFSP meetings, staff meetings, in-service and pre-service meetings, etc.) for the purpose of conveying and/or gathering information required to perform functions.

Prepares a variety of written materials and forms (e.g. attendance, anecdotal records, newsletters, classroom activity calendars, etc.) for the purpose of documenting student progress and meeting mandated requirements; providing information to parents/families on school readiness goals.

Reports incidents (e.g. fights, suspected child abuse, suspected substance abuse, etc.) for the purpose of maintaining personal safety of students, providing a positive learning environment and adhering to Education Code and school policies.

Responds to inquiries from a variety of sources (e.g. other teachers, parents, administrators, emergency situations, etc.) for the purpose of resolving issues, including safety concerns, and/or directing to appropriate person for resolution.

Other Functions

Performs other related duties, as assigned, for the purpose of ensuring the efficient and effective functioning of the work unit.

Job Requirements: Minimum Qualifications

Skills, Knowledge and Abilities

SKILLS are required to perform single, technical tasks with a need to occasionally upgrade skills in order to meet changing job conditions. Specific skill based competencies required to satisfactorily perform the functions of the job include: applying assessment instruments; operating standard office equipment including using pertinent software applications; and preparing and maintaining accurate records.
