SCHOOL-SPONSORED TRIPS

The Yolo County Board of Education and the Yolo County Office of Education recognize that school-sponsored trips are an important component of a student's development and supplement and enrich the classroom learning experience. School-sponsored trips may be conducted in connection with the County Office's course of study or school-related social, educational, cultural, athletic, school band activities, or other extracurricular or cocurricular activities.

(cf. 6143 - Courses of Study)
(cf. 6145 - Extracurricular and Cocurricular Activities)

The site administrator shall establish a process for approving a staff member's request to conduct a school-sponsored trip. When planning trips, staff shall consider student safety, objectives of instruction, the most effective use of instructional time, the distance from school, County Office and student expense, and transportation and supervision requirements. Site administrators may exclude from the trip any student whose presence on the trip would pose a safety or disciplinary risk.

If the trip involves water activities, this ratio shall be revised as necessary.

All persons making the field trip or excursion shall be deemed to have waived all claims against the County Office or the State of California for injury, accident, illness, or death occurring during or by reason of the field trip or excursion. All adults taking out-of-state field trips or excursions and all parents/guardians of students taking out-of-state field trips or excursions shall sign a statement waiving such claims.
